Description

Exceptional apartment in Altaona Golf with extraordinary space, luxury finishes and terrace overlooking pool and gardens

There are special properties... and then there is this apartment. With an impressive 197 m² built all on one level, this is one of the largest and most unique apartments currently available in Altaona Golf Resort.

From the moment you enter, the property immediately stands out thanks to its spectacular open-plan living and kitchen area, designed to offer comfort, elegance and functionality. The incredibly spacious and bright living room features a cosy fireplace and direct access to a fantastic terrace with open views over the communal gardens and swimming pool.

The terrace has been thoughtfully designed with different outdoor living areas, including a large dining space and a relaxing chill-out area with sofas, ideal for enjoying the Mediterranean lifestyle all year round.

The high-quality German Schmidt kitchen integrates perfectly into the main living area and also benefits from a practical separate utility and storage room.

The apartment currently offers 2 spacious bedrooms and 2 bathrooms, but one of the key advantages of this property is the easy possibility to create a third bedroom with minimal investment. A perfect option for families, guests or a home office.

The bedrooms are exceptionally large and offer outstanding storage capacity, something very unusual in golf resort apartments. One bathroom has been beautifully renovated, while the master suite enjoys an impressive oversized en-suite bathroom.

The property is in excellent condition, ready to move into, and includes hot and cold air conditioning, private underground parking and a closed storage room.

Altaona Golf Resort is known for its peaceful atmosphere, natural surroundings, security and beautiful golf course, only a short drive from Murcia city, the airport and the beaches of the Mar Menor.

This property also offers excellent investment potential thanks to its rare size, flexible layout and strong rental appeal for both holiday and long-term living.
