Description

Our new project located in La Hoya – Torrevieja consists of a residential complex of 172 homes, distributed across 6 buildings with a ground floor plus three levels, and two basement floors designated for parking spaces and storage rooms included in the price.

The properties have 2 and 3 bedrooms, all featuring 2 full bathrooms and south/west orientation. The layout of the buildings ensures that every flat enjoys views of the extensive communal areas, which include a gym, spa, sauna, community pools, paddle courts, and well-maintained green areas.

Ground-floor properties come with private gardens, the middle floors feature spacious terraces, and the penthouses offer magnificent private solariums.

All of this is just a short walk from all services and only a few minutes' drive from the beaches of Torrevieja!
